

BELLINGHAM & OLD ROAD WINE CO. SHINE IN THE PRESCIENT WINEMAG OLD VINE REPORT

Hot off the press – Bellingham Old Vine Chenin rated 94 pts in the 2024 Prescient Winemag Old Vine Report!

What is it about an old vine that makes it so compelling? Its gnarled appearance only hints at some of the mystery. The story of many seasons weathered can only be truly appreciated in the multi-dimensional wines these resilient plants produce.

We couldn't be prouder to share that the Bellingham Old Vine Chenin Blanc Cape Town 2023 has been ear-marked as a top-performer in this well-established inaugural report, garnering a noteworthy 94 points.

One of the very first old vine focused wines in South Africa, with the vineyards for the 2023 vintage having been planted in 1983 in the cool climate of Cape Town, this is a rare and sought-after wine.
