BOSCHENDAL EXCELS AT THE HONG KONG INTERNATIONAL WINE & SPIRIT COMPETITION 2024!

Boschendal excelled at the Hong Kong International Wine & Spirit Competition 2024, bringing home not only 2 distinguished 95-point, Gold Scores, but 2 Green Certificates as well.

Suzanne 2023: A luminous pale straw colour with a green tint makes this lightly oaked blend inviting at first glance. On the nose there are appetizing notes of white nectarine, key lime and green fig preserve with elegant oak nuances in the background. Framing the fruit is a hint of stony minerality that adds interest on the mouthfeel.

Stellenbosch Cabernet Sauvignon 2020: The deep, dark ruby colour of this wine offers a promising glint of the intrigue that awaits inside the glass. Aromas of ripe black cherry and cassis, pencil shavings, cigar box accents and spice make an enticing entry, and linger onto the palate, where chalky tannins and a rich, textured mouthfeel also become noticeable. A well-structured and powerful wine that offers a new discovery at every sip.

These honorary accolades received underscores the legacy we are building by producing multi-awarded Terroir Driven wines and is truly a testament to our steadfast commitment to creating iconic, sustainable wines.
