DGB BRAAI MASTER CHALLENGE 2024

The annual company Braai Day event took place on Friday, 27 September at the Production facility in Wellington. Teams began readying their stalls with gusto from as early as 7am, and it was clear that hours of planning and hard work had gone into their creations.

If anybody thinks we only know wine, they are gravely mistaken. What was seen on the day attests to the many, many hidden talents. The results were truly astounding!

Ahead of the competition departments drew a brand from our wide portfolio. Their stall and team members had to represent this brand, and it also had to be incorporated into their dish, which of course, was to be prepared on the braai.

Four judges were tasked to determine our winners. Amongst them were two restaurant owners, an artist specialising in fine art, and an ex-chef who owns a pottery studio. Even with their trained artistic eyes and defining palates, they found their task especially daunting as they were blown away by the creativity and exceptional food.

The day was truly special with staff's enthusiasm and excitement tangible in the air. DGB certainly has "gees" in barrel loads! Our very own in-house DJ Darren and the energetic MC's, Adre and Mieke, kept everyone entertained.

Contributing to the day's enjoyment was the special Olympic events. Yet another spectrum of hidden talents came to the fore with gold medals awarded for the following events:

- Rhythmic Gymnastics – Quality
- Men's 100m – Blending Cellar & Wellington
- Pressing Cellar
- Women's 100m – Operations
- 100m Mixed Relay – Operations
