

# DGB EXPANDS IN THE AFRICAN MARKET WITH BOSCHENDAL & TALL HORSE

In an exciting development for 2025, DGB has secured a **prestigious listing** with Malawi's renowned **Sunbird Hotels & Resorts**, the country's leading hospitality group. This partnership marks a significant step in expanding our presence in the region, bringing our premium wines to a discerning clientele across nine hotels and lodges. Through a direct approach, DGB successfully introduced a selection of its finest wines to the Sunbird portfolio.

Guests staying at Sunbird's exquisite properties will now have the opportunity to enjoy:

- **Boschendal Brut NV** – A sophisticated sparkling wine, perfect for celebrations and special moments.
- **1685 Range (four variants)** – Showcasing the best of Boschendal's heritage, these wines promise a refined experience.
- **Tall Horse Range** – A vibrant and approachable selection, catering to a wide audience with its delightful flavors.

Sunbird Hotels & Resorts is a cornerstone of Malawi's tourism industry, known for offering exceptional hospitality across city, lakeside, and wilderness locations. With this new collaboration, Boschendal and Tall Horse wines will be enjoyed by both local and international guests seeking quality and elegance in their dining experiences.

This achievement underscores DGB's commitment to growth in Africa, reinforcing our reputation as a premium wine brand in key markets. The listing at Sunbird Hotels further strengthens our strategic expansion, ensuring that our wines continue to delight and inspire wine lovers across the continent.

We look forward to a **successful 2025 with Sunbird Hotels & Resorts**, raising a glass to new opportunities and a flourishing partnership!
