

Celebrating Excellence: Michelangelo Awards!

HOME IS WHERE THE HEART IS, AND OUR HEARTS ARE BURSTING WITH PRIDE!

The Homestead Chardonnay 2022 has just been awarded Double Gold in the 2024 Michelangelo Awards. Charming the senses with delightful aromatic notes of butterscotch, ripe yellow fruits, including pineapple, and a hint of citrus, complemented by nuances of spicy clove and orange peel and unfolding on the palate with a complex mélange of zesty orange citrus and tropical fruit flavours, accentuated by a creamy texture and refreshing lime notes, this wine is something quite sublime. Its finish is prolonged, leaving a lingering impression of pure satisfaction.

Today, we sip to you, Ricardo.
Congratulations on this stellar achievement!

A MOMENTOUS EVENING FOR OLD ROAD WINE CO!

The Single Vineyard Stone Trail Chenin Blanc 2023 has been awarded the prestigious Double Gold medal at the 2024 Michelangelo International Wine and Spirits Awards. Stone Trail Chenin Blanc celebrates the terroir in which it is grown and highlights the importance of Old Vines, planted in 1982, on the slopes of the Franschoek Valley. This award-winning gem also celebrates the South African winemaking heritage and recalls the stories of the legendary characters who shaped the Franschoek community in its early years.
