

MAX & MORITZ WINE BAR OPENS IN MUNICH, FEATURING DGB WINES

We are thrilled to announce that Max & Moritz Wine Bar is now **officially open** for business in Munich, right next to the iconic Hofbräuhaus! Following last Friday's vibrant soft launch, which began as a speakeasy-style event and transformed into a full-fledged celebration, the wine bar received its official license this morning. Now operating seven days a week, this establishment is set to become a must-visit destination for wine lovers.

DGB is proud to have an **impressive 70% share of the wine list**, ensuring a diverse and premium selection for patrons. As the seasons change, the wine list will evolve, with some of the whites making way for reds in the winter months. Current highlights include:

- Boschendal Brut MCC
- Boschendal Brut Rosé
- Nicolas
- Bellingham Bernard Series Chenin Blanc
- Fryers Cove Sauvignon Blanc
- Backsberg Chenin Blanc
- Franschoek Cellar Rosé

This opening marks another milestone for Max & Moritz Wine Bar, and with a third location already scheduled to launch in May 2025, their influence in the wine scene continues to grow. We look forward to seeing this partnership flourish and raising a glass to their ongoing success!
